## Southern California Association of Health Care Recruiters 2012 PARTNER Membership Renewal and New Membership

SCAHCR is a non-profit organization that advances the development of health care recruiters. For over 20 years, we have been serving the needs of the human resources professional throughout Southern California. Educational programs and activities focus on strengthening health care recruitment/retention efforts.

As a member of SCAHCR, you'll find opportunities to network with other health care recruitment professionals. Annual membership includes meetings, continuing education programs for RN's, CHCR and PIHRA, and a discounted rate for programs/luncheons. Meetings are held in various locations throughout Southern California.

As stated in the SCAHCR By Laws: Partner membership shall be open to healthcare recruitment search firms or staffing agencies that provide services to the current individual members and are interested in supporting the goals and furthering the growth of SCAHCR. These individuals may hold committee membership, though they may not have responsibility over a committee. Partner members will not have voting privileges or hold office. Membership shall be limited to two representatives per meeting.

Please provide a statement of your company/organization's purpose
